

### Mission statement:

StarMovers is much more than just a dance class, it's a community! With our classes we aim to create a little world for young children, & their families, to enjoy & explore dance. Created by professional dancers for mini, budding, dancers our classes are a refreshing approach to dance education. As a StarMovers member you are a part of a family. Each dancing star is very important to us & in our classes we celebrate & encourage that individuality, develop imaginations & enhance creativity!

## Join us over Summer

Look no further to add a touch of fun & magic to the holidays!

Here at StarMovers we like to offer an array of events & activities to break up the Summer. Join us at our fun Summer Disco, touch base in fortnightly dance classes at Penistone, get 'funky' with our PopStar Parties or creative in our film screening days.

Not forgetting the highlight of the Summer ...our annual

### *StarMovers Summer Ball!*

Back for a fourth year running - our Summer Ball is a real treat for everyone! Our guests get to dance, sing & dine with special princess guests in a magical wonderland that gets bigger & better every year!

All our events must be booked in advance. To view all details & to book visit [www.star-movers.co.uk](http://www.star-movers.co.uk)

## “What shall we be today? Butterflies or fairies?”

### SCHOOL STARTERS

We know lots of our dancing stars are starting school in September!

No longer able to attend your current class? Fear not! With our extensive timetable we aim to offer you a variety of suitable venues, days & times. We always have dancing stars switching classes due to changes in work or school commitments. Simply drop us a text or email to discuss moving classes - as a member you will always get priority for a space over those on the waiting list.

Not suitable? We are keen to add more classes & venues to make StarMovers accessible for all. Please free to suggest a venue near you!

### Did you know?

StarMovers is a validated **Children's University** learning destination. If your child has a *passport to learning* you can collect stamps in class.
